NOTIFICATION

With the ease in the travel restrictions, there are increasing numbers of individuals exploring for opportunities to pursue higher education outside Bhutan. The Department of Adult & Higher Education has noted that there are private individuals that are not registered with DAHE advertising Higher Education Institutions (HEIs) on social media. These entities do not possess a valid trade license from the Ministry of Economic Affairs, Bhutan. In view of this, the Department would like to urge all individuals to verify the status of Education Consultancy & Placement Firms (ECPF) prior to availing their services to avoid unnecessary issues.

The Department would like to urge all individuals to avail services ONLY from registered ECPFs. Further, refrain from seeking services from the registered ECPFs that are marked RED on the Department's website, as there are some non-compliance issues.
