NOTIFICATION

Sub: Lift the Freeze on Issuance of No Objection Certificate

As per the decision of 216th Human Resource Committee Meeting held on 31st August 2017, the Ministry would like to lift the freeze on issuance of No Objection Certificate (NOC) to the employees with immediate effect. The employees requesting NOC should route their application through the School and Dzongkhag/Thromde Administration.

However, the Ministry would like to inform the Dzongkhags and Thromdes that the Ministry shall not be able to provide replacements specially in case of teacher(s) being selected in other agencies due to the following reasons:-

- i) Royal Civil Service Commission has approved replacement only for teachers on Study Leave and Extra Ordinary Leave on consolidated contract,
- ii) Policy of single window recruitment

(Karma Tshering)
