Dear All,

The Royal Civil Service Commission is in the process of updating BCSR 2012 to provide even fair, transparent and uniform rules and regulations in managing the civil service of Bhutan. As a part of updation process, the Commission has conducted numerous consultations with civil servants serving in various Agencies.

As a final updation process and recognizing the importance of receiving feedbacks from all the civil servants before the launch of BCSR 2017, the Commission has uploaded the draft BCSR 2017 in RCSC webpage (www.rcsc.gov.bt) for feedbacks and comments.

Therefore, the Royal Civil Service Commission would like to request you to kindly inform all the employees in your Agency to review and provide feedback, comments and recommendation, if any, on the draft BCSR 2017 before *27th November 2017*.

Best wishes,
