NOTIFICATION

The Ministry of Education would like to notify the general public that we will not be able to take up any proposal for the establishment of colleges at this time since we are in the process of reviewing Rules and Regulations for the Establishment of Colleges, 2017. This is as per the directives received from 13th Tertiary Education Board (TEB) meeting.

Therefore, we would like to inform that we will not be able to process any proposal for establishing new colleges in Bhutan until the Rules and Regulations is reviewed and endorsed. Please contact Mr. Tshewang Namgay at tshewangnamgay@moe.gov.bt or call 02-337175 for any clarification and for further information.
