

King's Scholarship announcement-2022

The RCSC and DAHE, MoE would like to announce that out of nine slots under King's Scholarships, one of the slots (B. Agriculture Economics) has only three eligible candidates as opposed to 70 candidates to be shortlisted for psychometric test as per the detailed announcement made on February 17, 2022. Owing to a very limited applicants, the Commission has approved to change the slot of B. Agriculture Economics to B. Agriculture Science. Therefore, all eligible candidates, except for those who are already shortlisted for the remaining eight slots are required to apply as per the criteria mentioned herein:

B. Agriculture Science (Science stream)

Minimum aggregate of 70% in Trial Examination (55% in English plus Biology, Chemistry and Physics). The raw marks (excluding CA) obtained in Trial Examination will be taken into consideration.

The google form inviting online application will be available on the education and DAHE websites; www.education.gov.bt and www.dahe.education.gov.bt from April 19, 2022.

The candidates are required to attach all necessary documents failing by which the application will not be accepted.

The online application will close by 25 April 2022.
