

Asian Nursing Scholarship (ANS)
Self evaluation form

S/No.	Question	Please Tick	
		YES	NO
1	I understand that the roles and duties of a Nurse are very demanding and I am committed to pursue Nursing as my future career.		
2	I understand that the public healthcare institutions in Singapore provide different services and I will be <u>assigned by MOH Holdings</u> (MOHH) to any one of them, such as a General Hospital, a Community Hospital, the Institute of Mental Health (tertiary psychiatric institution) and other Specialist Centres and Polyclinics, based on manpower needs.		
3	I understand that there are two polytechnics, namely Nanyang Polytechnic (NYP) and Ngee Ann Polytechnic (NP), offering the Diploma in Nursing in Singapore and I will be allocated to any one of them for my studies.		
4	I am prepared to share a room with 3-4 scholars in one of the hostels arranged by MOHH. I will respect the individual differences of my roommates such as living habits, personality and culture. I also agree to abide by the rules and regulations set by the hostel management.		
5	I understand that I need to travel from the hostel to the polytechnic for lessons and the travelling time may take 1.5 hours. I commit to being punctual for my lessons.		
6	I am prepared to live independently in Singapore during the three-year period of study and six-year period of service.		
7	I am aware that the monthly living allowance is meant for my daily expenses in Singapore and I need to manage my finances prudently.		
8	I am aware that the Polytechnic education system is very demanding and teamwork is required in completing the group assignments. I will work hard to achieve good results in my studies.		
9	My parents/guardians are supportive of my decision to pursue a nursing diploma and career via this scholarship in Singapore.		

If you have **answered "NO" to any of the above questions**, you are strongly **ENCOURAGED** to discuss the issue with your parents/guardians and to reconsider your ANS application.
