### Clarification on tender documents

This has reference to the tender no. (1564) DWPSD/STEPUP/G-13/2022-2023 for procurement of Automobile Tools and Equipment (lot 1-8) for Technical Training Institutes. The Project Management Unit would like to provide clarification as mentioned in the table below:

| Sl. No. | Clarification  | Response  |
|---------|--|---|
| 1       | Section 3: Evaluation and Qualification Criteria<br>1.4 Multiple lots (contracts) & 2.2 Experience and technical capacity.<br>Clarify whether the amount mentioned under this line item is in million?   | The amount mentioned is in millions.  |
| 2       | Section 6: Schedule of supply<br>Lot 1: Automobile (Hybrid)<br>Specification mentioned specifically asks for Hybrid Vehicle for cut section/working model.<br>Please confirm whether the requirement is for Hybrid Vehicle or for cut section/working model? | Item number 1 is intended for hybrid vehicles used in the real market.<br>Therefore, no training simulator or cut model is envisaged.   |
| 3       | Section 8: Special Conditions of Contract<br>Clause No. GCC-28.3 of SCC<br>Warranty period is for 12 or 24 months?   | The warranty period for both the destinations (TTI Thimphu and TT- Samthang) is as specified in the technical specification.  |
| 4       | Section 6: Schedule of supply<br>Lot 3: Measuring equipment<br>Warranty period of item no.1,2,3,&15, the warranty period of these items not mentioned?   | Item number 1: Ammeter requires a warranty period of 12 months.<br>Item number 2: Clamp meter requires a warranty period of 12 months.<br>Item number 3. Pen Style Voltage- Probe requires a warranty period of 12 months.<br>Item number 15. the Plasti gauge kit is a consumable item and therefore does not require a warranty period. |
| 5       | Section 6: Schedule of supply<br>Lot 7: Automobile Parts<br>Warranty period not mentioned?   | All items in Lot 7 are automotive parts and are intended to be used as teaching material.<br>Therefore, no warranty period is required.   |
| 6       | Section 6: Schedule of supply<br>Lot 2: Automobile Transmission Vehicle  | Item number 1 is intended for Automatic Transmission vehicles (CVT) used in the real market.  |
