Subject: Enrollment of class IX students at Taktse Rigzhung Premiere School

Dear Sir(s) Madam(s)

As you may be aware, in line with the draft National Education Policy 2019, the Ministry has established Rigzhung Premiere School at Taktse Central School, Trongsa in 2020 introducing Rigzhung courses from class IX in addition to the Rigzhung courses for classes XI and XII which was shifted from Semtokha in 2012.

This is mainly to revamp and further strengthen Rigzhung studies to address the sheer shortage of quality dzongkha teachers in the schools over the years and also to ensure interested students pursue their education in Rigzhung Studies.

In view of the above, the Ministry is in the process of initiating a number of plans and programmes to ensure that the school is fed with sustainable enrollment. However, the school has witnessed decrease in student enrolment due to the lack of information.

Therefore, you are requested to forward the attached announcement to all the schools with class VIII for information sharing to the students to let them register for 2024 cohort if interested.

This is submitted for your kind information and needful action at the earliest please.
