Press Release

The HRH Gyalsey Annual Mathematics Award, a joint initiative by the Ministry of Education and Skills Development and the Druk Gyalpo's Institute since 2022, aims to foster and nurture students' innate Mathematical abilities. This prestigious award serves as a platform for students to showcase their mathematical prowess, emphasizing number sense and proficiency in both inductive and deductive reasoning.

Conducted at the national level, the HRH Gyalsey Annual Mathematics Award is open to Middle Secondary School (classes 9 & 10) and Higher Secondary School (classes 11 & 12) students. In 2023, the Middle Secondary School category witnessed 1927 participants (844 females and 1083 males), while the Higher school category had 1066 participants (372 females and 694 males).

The test for the **HRH Gyalsey Mathematics Award 2023** took place on the 13th of November from 2:30 to 4:00 PM.

The following are the recipients of the HRH Gyalsey Annual Mathematics Award for the year 2023;
